If question 1 is answered "No", or if the Full Member cannot answer "Yes" to at least six of the other questions, he/she will be informed that his/her name will be changed to Subscriber Member. The re-certification form must be returned to the Membership Chairman by April 30th of the appropriate year. If the form is not received by the Membership Committee within that time, the Membership Chairman will make every effort to contact the member to verify that he/she plans to continue with the Association. If contact cannot be made, it will be determined that the member was unable to answer the appropriate number of yes questions and the member assigned to Subscriber Member. After a period of at least twelve months, the member may reapply to Full Member status by successfully completing the re-certification process described above.
